While our nation is declining dangerously right now, a **turnaround** could be **straightforward** and **simple** with steps like these:

- 1** Stop trying to police the world.
Bring our troops home.
- 2** End the war on drugs and
stop spying on Americans.

let the free market work.

We are America's third-largest political party. Many Libertarians serve in elected office throughout the U.S. We have affiliates in all 50 states. We run hundreds of candidates for all political offices from President down to U.S. Congress and city councils. Win or lose, every vote for a Libertarian sends a clear message for liberty. Don't waste your vote on the corrupt Republicans and Democrats who keep delivering more of the same failed policies that benefit their friends in big business and big government.

Vote Libertarian.
